

Now Offering Online (Paperless) Trade Confirmations

Raymond James is pleased to offer you the option of receiving your trade confirmations online. It makes good sense for a lot of good reasons – paperless confirmations are more secure, more convenient and more timely than mail delivery. They also reduce the amount of paper we use and receive. And that helps save more trees, water and energy.

To find out how you can join our paperless campaign, please visit the “Client Login” section on our website www.raymondjames.ca and/or speak to your Raymond James Financial Advisor.

RAYMOND JAMES®

- **More Convenient** – 24/7 access to your client trade confirmations.
- **More Secure** – You receive email notification when your paperless trade confirmation is ready for viewing online. Because it is password protected and secure, it cannot be lost or stolen in the mail and reduces the chance of identity theft.
- **More Timely** – Because your paperless trade confirmation is available online, you will receive it faster than by mail.
- **More Environmentally Friendly** – Going paperless is an important way to reduce the amount of paper we use and receive.
